## BRIEF SUMMARY

Passionate and driven individual with a profound understanding of C++, DS, Algo, and development tools, eager to contribute expertise and creativity within a forward-thinking company. Actively seeking a position in a growth-oriented organization where I can leverage my diverse skill set to drive positive outcomes and propel the company's success. With a solid foundation in languages and development tools, I am committed to not only adding value but also continuously enhancing my skills. I am enthusiastic about embracing challenges and opportunities that foster both personal and professional growth while making meaningful contributions to the company's objectives.

## KEY EXPERTISE

C++ Data Structures Algorithms OOPs HTML CSS Javascript SQL Operating Systems ReactJS
